

Bitter Sweet

Might as well die
If I don't know what I'm living for
Might as well scream
The sound fills no one's ear
Might as well sleep
And hope that somehow sleep will come
Might as well dream
That I was never here

When it's a new day
And I am to awaken fresh
And it's my time
To bask in Heaven's glow
And it's the hard line
That I must take to catch my breath
The whole way down
The path where I must go

And I'll hold on
Endure whatever it may take
To carry on
As I've been on my own
And I will fight
To keep what I cannot replace
And I will win
Or I will stand alone

I'll go through hell
Accept the unacceptable
I'll give my all
For nothing in return
I'll sell my soul
As if it was expendable
For one sweet moment
When my light will burn
